durakraft

Durakraft laminate consists of a layer of kraft paper made from 100% recycled content laminated to 3/16" durabubble. The kraft paper absorbs moisture, can be written on easily and can be used to conceal the product being shipped.

12" x 125'
24" x 125'
48" x 175'

Larger Bundles available - call for pricing!

durabond

Durabond cohesive bubble bonds easily to itself and not to the product being packaged. Durabond can be formed into an airtight pouch resistant to moisture, water, dirt and grease.

12" x 150'
24" x 150'
48" x 175'

Cohesive - sticks to itself
and not your product.
