File Handles

LUTZ® Short Ferrule

The Lutz® Short Ferrule Handle is entirely manufactured in the USA to exacting tolerances from select New England hardwoods, coated with a heavy wax finish for appearance, comfort and durability. The steel ferrules are nickelplated to prevent corrosion. The Lutz® Short Ferrule Handle is a quality, economy handle and comes with a lifetime replacement guarantee against defects due to material or workmanship.

Description	Length	Diameter	Bore	Depth	Wt./Gross

#05 (for 10"-14" files)	5"	1-1/4"	3/8"	2-1/2"	17 lbs

LUTZ® Skroo-Zon

The Lutz® Skroo-Zon® File Handle is entirely manufactured in the USA to exacting tolerances from select New England hardwoods, coated with a premium quality shellac finish for appearance, comfort and durability. These handles are equipped with hardened steel inserts which cut a thread right onto the file tang creating an unsurpassed grip on the file and eliminating handle splitting issues. The metal ferrules are made from heavy gauge, special kiln drawn steel and are zinc-plated to prevent corrosion. The Lutz® Skroo-Zon® File Handle is vastly superior to all others and comes with a lifetime replacement guarantee against defects due to material or workmanship.

LUTZ® No. 10 File Cleaner

The Lutz® No. 10 File Cleaner restores your file grooves to clean cutting capacity. The cleaner's sharp steel bristles dig into and quickly remove filings collected with use. Ideal for machinists, mechanics, woodworkers and others involved in cutting, cleaning and roughing applications. Overall length is 8-1/4". Packed One Dozen per box. Net Weight is 2 lbs. Also available in carded stock for retail display.
 UPC Item No. 854829001 10

LUTZ® No. 20 Combination File Card & Brush

The Lutz® No. 20 Combination File Card & Brush combines the functionality and cleaning power of short steel bristles with a softer, longer bristle brush ideally suited for removing filings on finer cut files. The brush can also be used to clean saws and drill bits. A must for any shop! Overall length is 9-1/4". Packed in boxes of 6. Net Weight is 2 lbs.
